Dear Victor,

I am very pleased to inform you that you have been selected to receive the 2023 Excellence in International Activities Award. On behalf of the whole college community, we would like to thank you for your remarkable contributions.

The selection committee found your nomination a public testimony to your outstanding performance in our college. I want to personally thank you for your service and congratulate you on being selected as this year's recipient. I am looking forward to the opportunity to celebrate you and our other honorees.

The program will take place on Tuesday, May 2, 2023, beginning at 3:00 p.m. in the Ebling Auditorium of the Microbial Sciences Building. A reception will follow. We would be pleased if you could join and be recognized.

Nikki Wykowski (cc'd) will be following up with you in the coming days for more information from you regarding the ceremony. Please be on the lookout for an email from her. Reach out to her with any questions.
